

Challenger 604
Available for charter

JET EXCHANGE

e: charter@jet-exchange.eu t: +44 207 183 5975 w: www.jet-exchange.eu

Jet Exchange is pleased to offer this superbly-appointed Bombardier Challenger 604 for charter. Please contact us for a quotation.

Bombardier Challenger 604

The aircraft is beautifully presented, having just been refurbished. The seats and other soft furnishings have been re-covered in cream leathers, the carpet replaced with a contrasting beige and the galley with elegant Bolon flooring.

The spacious cabin has seating for up to 12 passengers in comfort. The conference four seats at the rear of the cabin include a fixed table. This table can also be lowered to form the base of a bed. The club four arrangement in the front of the cabin can be quickly converted into two further beds. The four place divan can also be used as a bed. The arrangement of the rear cabin creates an ideal space for entertaining, dining and conferencing.
